Dear Mr. McLean:

Pursuant to 35 IAC, Subtitle G, Section 700.227 an emergency permit is hereby issued to the State of Illinois Department of Transportation to store hazardous waste at the referenced facility for a period of not more than 30 days from the date of this letter. This emergency permit is subject to the following conditions:

- A. All hazardous waste must be stored in containers meeting the requirements of 35 IAC, Subtitle G, Part 72A, Subpart I.
- B. All hazardous waste must be transported in accordance with 35 IAC, Subtitle G, Part 72B.
- C. A maximum of 200 GRS of hazardous waste from the clean-up of the A-CHEM site may be stored.
- D. All drums shall be stored on an enclosed trailer, which shall be secured (locked) at all times other than for inspection.
- E. Trailers containing drums shall be stored in a secure (fenced) area at all times.
- F. Storage of hazardous waste shall be in accordance with 35 IAC, Subtitle G, Part 72A.
- G. Daily inspections shall be made to ensure trailers are secured and no leakage has occurred. A log of these inspections shall be kept.
- H. If there is any evidence of leakage or spills of stored materials, either as a result of daily inspection, or at the time of removal, then all spilled or leaked material and all contaminated soils shall be removed to a properly permitted site.
